Easter Egg Hunt Clues

One of the best things about Easter is the Easter Egg Hunt! Print out the clues below and use them to create your very own hunt around the home.

Clue

Let the bunny footprints be your guide,
As we take you to where eggs might hide.
This one is hiding where the plants grow,
Have a good dig, this one is not on show.

Clue

This is the place birds like to perch,
Up in the sky, have a search.
Look up high and you will see,
Something hanging from that tree.

Clue

One to go, we are nearly there!
Time to go back inside, the end is near.
Surrounded by food, this place is never hot,
Find the final clue in this chilly spot.

Clue

Congratulations, you found your last clue!
Easter goodies are now waiting for you.
Go to the sofa and look all around,
See all the eggs that couldn't be found!

Clues continued

Clue

It's time to find the eggs left by the Easter bunny,
Grab your basket, hurry hurry, hurry!
To begin your search here is your first clue:
Go to the kitchen and check your shoe!

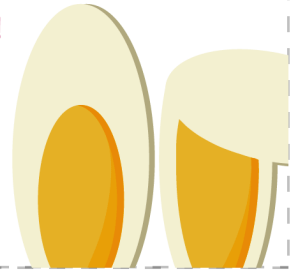

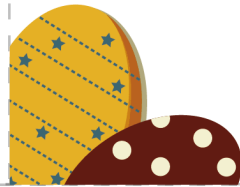

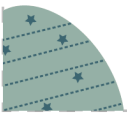

Clue

The next clue is hiding where you sleep at night,
The place where you come and turn off the light.
Getting a move on, off you go,
Please don't run, take it slow.

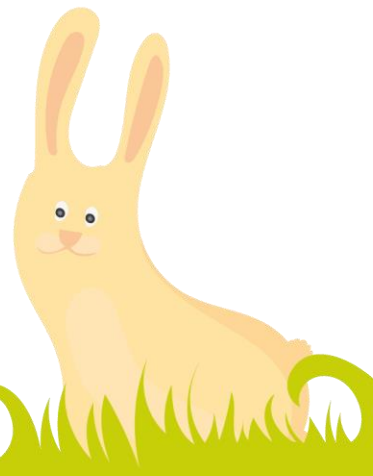

Clue

You're doing a great job, but we are not done yet,
This clue is hidden well, but please don't fret.
Check the place you store your favourite book,
This one is tricky so take a good look.

Clue

Now it's time to go back down the stairs,
Off to the dinner table, check the chairs.
This clue doesn't want to be found,
So tip-toe, don't make a sound!
